Sofá Kuri é a síntese do estilo contemporâneo, devido a sua grande variedade de módulos, permitindo várias composições. É o próprio estofado coringa para ambientes dos dias atuais.

*Kuri apresenta-se como um estofado contemporâneo devido a sua grande variedade de módulos. Na imagem em conjunto com as mesas de apoio Pan.*

## ESTRUTURA

*O produto possui estrutura em madeira de eucalipto de reflorestamento, chapas MDF, montadas com grampos de aço e fixos com cola PVA (própria para madeira), proporcionando assim grande resistência e evitando rangidos no produto. Conta ainda com pés em madeira.*

## OPCIONAIS

*No braço de 250mm existe a opção de torre multiplug. O módulo canto possui opção de almofadas decorativas com a possibilidade de escolher acabamentos diferentes para cada uma.*

## ESTOFADO

*O estofado possui assento e encosto com percintas elásticas. Tem almofadas soltas no encosto e fixas no assento e ambas contam com espumas soft e HR revestidas com manta de fibra poliéster, maximizando o conforto ao toque.*

## ACABAMENTOS

*Cartela de tecidos Uultis, com composição afixada em tecido que acompanha o produto. Pé: 79EC, 80EC, 145MC.*

## COMPOSÊ

*Base + Almofadas Encosto.*

## OBSERVAÇÕES

*O produto conta com opções diversas para: a escolha da espessura e quantidade dos braços, para o tamanho do assento e para os modelos de cantos e chaise longues. Isso permite uma variada gama de composições, trazendo versatilidade para composição de ambientes.*
